Monogrammed Monday: My Custom Yoga Mat

(I did not receive payment or product in exchange for this post)

Last week I got an email from Marce at [My Custom Yoga Mat](#). She was inquiring about our Monogrammed Monday feature and shared her adorable product with me! I immediately went to the website and fell in love with these mats!

Marce and her friend Allison have created a site where you can customize your own yoga mat. Aside from the great monogram, thread color and mat color choices, the mats come adorably wrapped and you don't have to be a yogi to enjoy one! They are perfect for other forms of exercise, like sit-ups, push-ups, weight training, etc. I even thought it would be great for kids as an activity mat for play-doh, painting, etc.

The mats are a reasonable \$35.00 and will arrive to you in about 10 days. There are 20 yoga mat colors, 18 embroidery thread colors and 5 fonts--so it's quite easy to make your mat your own!

About Me

I'm a monogramming fiend with a penchant for crafting, cooking, writing, and lovely pretties. I spend my days working at a prep-tastic college and for stationer extraordinaire Ashley Brooke, of Ashley Brooke Designs. [Click here to read more...](#)
